October 2016

Here we are again, coming up to the end of the year. Just a few more events for 2016. The banquet arrangements have been made, each division is counting points and shopping for prizes. I know all of the participants have worked hard and are looking forward to the year-end announcements and placings. I hope everyone has enjoyed the year.

As we look at 2017 we have some decisions to make. Many current board officers and members will not be continuing next year. As with other organizations, membership is lower than it has been and it is hard to put on events without participation.

**For 2016 we had no President, no Vice President and no Secretary on the Executive level.** I don't think anyone wants to see an end to **LCHA**, I certainly don't. But we have to have leadership and active members to keep it going. This is when we have to ask.. **“Who will pick up the gauntlet and run with it?”** We will have our elections of officers at the banquet and nominations will be taken from the floor. This will also serve as our annual General Membership meeting. If you are interested in the future of **LCHA** and would like to help it continue, please step forward to help us out in 2017.

**The executive board is offering a one year family membership to the 2017 Executive President as a thank you for your service.**

We will also be accepting membership forms for 2017 at the banquet. You are welcome to contact me with any questions.
